

Training Opportunities

» BARRETT TRAINING

Barrett Training offers a variety of opportunities from armorers courses to long-range marksmanship training. Armorers courses cover operational theory and in-depth maintenance procedures. Long Range I & II teach marksmanship fundamentals, data collection, and shooting out to 1,000 yards. Classes are offered at various locations. To inquire about the cost and availability of instructors traveling to your location contact Barrett Training Department (email: training@barrettrifles.com)
